

WORK

Talk about the topic. You may use the pictures to help you.

- We should have a quota for women on corporate boards. Do you agree?
- Are there jobs that men do better than women do? How about vice versa?
- How have working conditions changed in recent years? Have they improved? If so, in what ways?
- Recipients of unemployment benefits should be recruitable by municipalities for work
- Self-employment is better than working for an employer
- How do immigrants help a country's economy?
